SAHABAT ALAM

Be kind to all creatures on this earth by appreciating and save the nature around you with the **#SahabatAlam** encounter by Plataran Borobudur. We hold various activities you can do to protect our nature and community.

Morning walk on a bright and beautiful morning to surrounding villages, such as Tamanan, Bumen, Karang Bunder, and Sendaren. **#SahabatAlam** will interact with the villager to immerse in the community by experiencing firsthand how the farmers or the villager do their daily activities such as planting rice in the paddy fields, harvesting the vegetables, sweeping the yard, and get a complimentary dessert or 30 minutes massage as the reward. Furthermore, you can give one educational storybook to the local children, because when you give a book as a gift, you invest in the future of a child!
