HERITAGE, ELEGANCE & GRANDEUR

# Plataran

Cilandak

Set within two hectares of sprawling private grounds, Plataran Cilandak offers an exclusive and intimate venue for distinguished gatherings and events in a beautiful heritage garden created by the late legendary landscape architect Made Wijaya (Michael White). Sheltered beneath the leafy canopy of tropical trees, its beautiful gardens and 150-year-old central wooden joglo building surrounded by wooden joglo villas exude the grandeur and glamour of a bygone era. Captivating beyond words.

Blending rustic elegance with modern facilities, this spacious indoor-outdoor venue is ideal for all occasions, be it a gala wedding dinner, a sophisticated garden party, or an inspiring corporate event, with space to accommodate up to 750 standing guests. In the hands of our professional wedding and event specialists, thoughtful attention goes into every detail, tailored to your precise needs. Other facilities include a wooden stage, swimming pool, public toilets, prayer room, and a spacious parking lot.
