Teras Bromo presents a new level of dining experience for the extraordinary destination of Mount Bromo. Located in the area known for its unique agriculture, Teras Bromo offers a selection of casual Indonesian - Asian food on the basis of using locally grown ingredients. Warung Bromo, located next to Teras Bromo, serves local home-cooked Indonesian dishes and desserts for those looking for a quick and easy yet satisfying meal.

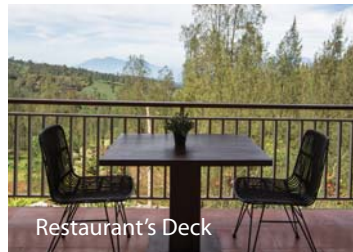

Teras Bromo distinguishes itself with its countryside-themed architecture and Plataran hospitality, delivering an unforgettable dining experience and a moment to appreciate the beauty of nature. Teras Bromo itself stands as a destination in the area with its Plataran Hill Sunset Point where guests can catch the daily golden sunset, additional unique experience to the famous enthralling Mt. Bromo exploration and sunrise point. With a professional jeep checkpoint facility available on-site, travellers can either unwind or prepare for their adventurous journey while dining with a sublime view.
