

PRESS RELEASE

**The Unveiling of Plataran Bromo Suites – Your Luxury and Stylish Retreat**

***The timeless-elegance and culture-inspired Plataran Bromo Resort & Venue unveils the most recent addition of Suite Wing that enfolds the comfortable Suites, elegant Pamiranti Lounge, chic rooftop venue – namely Langit Bromo, and Brahma Meeting Room with state-of-the-art facilities overlooking the sublime views of Bromo highlands.***

**Bromo, Indonesia – 14 March 2022** – Plataran Indonesia introduces the opening of Suite Wing at Plataran Bromo Resort & Venue, which highlights the warmth, comfort, and luxury to elevate guest experiences to the next level. The Suite Wing reflects modernity through its sleek designs and free-flowing open space imbued with its unique mixture of wooden and stone elements, as well as the classical ornamental touch in every detail.

Nestled on the highlands of Bromo, at the gateway of the UNESCO World Heritage Site – Bromo Tengger Semeru National Park, the Suite Wing features 14 well-appointed guest rooms, divided into four categories: **Suite, Premiere Suite, Platinum Suite**, and the **Presidential Suite**. Each unit boasts the spacious bedroom area with the fresh air circulation – embellished with the Indonesian native rare Ulin solid wood, also fitted with an addition of a work-space and living area, a private balcony, a king-size bed complete with heater and a thermal blanket, 55” Smart TV, a private bath-tub, and a personalized butler service. Each unit is truly plush and sprawling with the ultimate comfort you need for a perfect stay.

Furthermore, Plataran Bromo Resort & Venue encourages avid travelers to relax in the most connected way possible, which is evident through its dapper and open social spaces, all while enjoying the best panoramic view of both the sunrise and the sunset. The exclusive lobby area comes with **Pamiranti Lounge**, a rendezvous for our distinguished, most affluent, and influential guests to expand their network. The name derives from the ancient Java-Kawi language “Pamiranti”, meaning “*the place to meet*”. Within steps away, the available **Brahma Meeting Room** is able to cater to your business needs with the tech-savvy facilities and the complementary services, such as: 360 degrees camera with voice recognition feature, a Smart TV, surrounding sound system, a projector, a wireless printer, and of course an array of Plataran culinary delights to boost your productivity.

The adjoined rooftop venue, **Langit Bromo**, offers an astounding indoor and outdoor area to perfectly cater your social functions, be it a corporate meeting, an engagement party, a blessing ceremony, or simply a get-together dining experience with peers and loved ones. The rooftop venue can accommodate a range of 30 to 60 persons, in which guests are able to indulge on incredible culinary selections that include Western, Asian, and traditional menu while wallowing in the one-of-a-kind fabulous view of Madura strait, Surabaya city, as well as mount Arjuna and mount Welirang.

Your luxury and stylish retreat awaits in Plataran Bromo Resort & Venue, where you will surely have an unparalleled fulfilling experience.
